

# Help Save Homeless Dogs

The number of abandoned and needy Collies are increasing in Southern California. Please help us in our efforts to prevent these beautiful and gentle dogs from being destroyed. Join us for our upcoming Fund Raising Dinner Event for Southland Collie Rescue. On average SCR loses \$100 on each Collie adopted. Proceeds from the dinner event plus 100% of your separate donations to SCR go directly to rescuing Collies and 100% of your donations are Tax Deductible as well.
